Cutoff

Combined average of 5: You must get a time below the cutoff within your first two attempts in order to complete the rest of the average of 5.

Mean of 3: You must get a time below the cutoff on your first attempt.

Limit is a hard cutoff where you will be asked to stop the attempt if the timer goes over the limit.

Blindfold

Blindfold will be held in MacDonald Hall between 10:00 am and 3:00 pm.

It will be the competitor's responsibility to find time in between other events to do his or her attempt.

3x3x3 Blindfolded has a cumulative time limit of 30 minutes. This means that each attempt, successful or not, will count toward this total time limit.

You will be stopped if you go over this time limit. If you think your attempt will take longer than 10 minutes, please make sure you ask your judge to use a stopwatch, as the stackmat timers will automatically stop at 10 minutes.
