Please note: Starting times are tentative. Due to the high number of competitors, we may attempt to start events a bit early if possible, so please try to be ready early. If we run late in the morning, we will still attempt to begin the afternoon portion at 1 PM - please plan your own lunch accordingly.

You will receive a competitor card when you check in. If you are in events that overlap in time, please look at this card, as it will indicate which room you should be competing in, and what time.

3x3x3 Blindfolded has a cumulative time limit of 30 minutes. This means that each attempt, successful or not, will count toward this total time limit. You will be stopped if you go over this time limit. If you think your attempt take longer than 10 minutes, please make sure you ask your judge to use a stopwatch, as the stackmat timers will automatically stop at 10 minutes.
