In a combined average of 5, you must get a result below the cut-off within your first two attempts in order to complete the rest of the average.

A time limit is a hard cut-off where you will be asked to stop the attempt if the timer goes over the limit.

In the 3x3x3 Blindfolded event, you will have 30 minutes total across all three attempts. Please remember to ask your judge to use a stopwatch if you anticipate going over the 10 minute stackmat limit.
